#### THE STONHARD DIFFERENCE

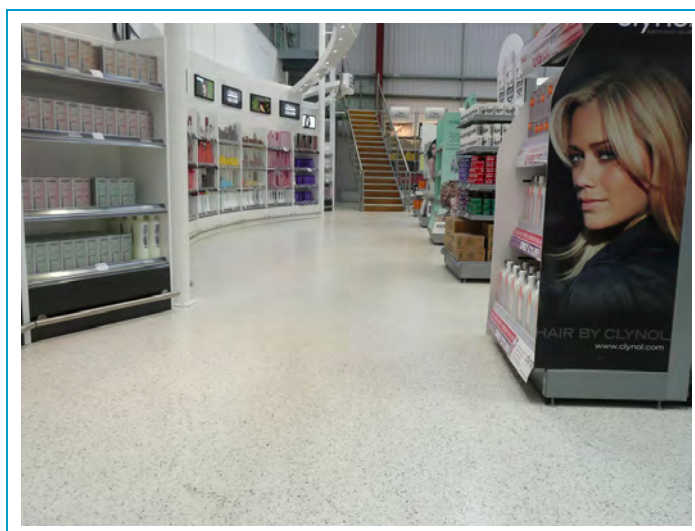

Stonhard is the world-leading manufacturer and installer of high performance polymer floor and lining systems designed for tough commercial and industrial environments. We deliver long lasting durable products to satisfy the most demanding design specifications and work with you from start to finish. You are protected with a single source warranty on both product and workmanship. Known around the world for excellence, the Stonhard name is synonymous with quality, performance and unmatched service.

Installation of Stontec 4mm mortar base, an extremely hard, durable material which exhibits excellent abrasion, wear, chemical and impact resistance

Epoxy undercoat and vinyl flakes are applied to the Stonclad 4mm mortar to enhance aesthetics, protection and slip resistance.

Completed Stontec floor. A highly decorative, durable system providing enhanced aesthetics with excellent cleanability and wear resistance.
