STONHARD

Owners, planners and designers for some of the country's largest stadiums look to Stonhard and its Liquid Elements brand for both public areas and behind the scene spaces; entrances, concessions, restaurants & night clubs, seating areas, kitchens, suites, locker rooms and rest rooms. Durable, poured-in place floors can last the lifetime of stadium or entertainment venues. Stonhard's seamless floors are easy to maintain and you don't need to shut down for repairs. Tough, long lasting and endless design options including custom logos and designs.
